DON'T FORGET TO PURCHASE YOUR RESORT ENTRY PERMIT

Remember all vehicles stopping in a Victorian Alpine Resort must have a valid authorised Resort Entry Permit. Day, Multi-day and Season Resort Entry Permits are available through the online system of alpineeasyaccess.com.au, allowing guests to purchase prior to or immediately upon arrival, alleviating the need to queue at an entry booth to purchase an Entry Permit, giving you more time on the snow and less time in your car. Alpine Easy Access is smart phone compatible allowing you to purchase your Resort Entry as you travel to Mount Hotham giving you more time on the snow with no Resort Entry queues.
